Problem	Correction
CD-ROM There is no Examples\Install.exe program on the CD-ROM.	The install.exe for the examples was left off the first printing of the CD in error. You will need to copy the files to your hard drive to use them. Make sure to remove the Read Only attribute after you copy them.

This errata sheet is intended to provide updated technical information.
Spelling and grammar misprints are updated during the reprint process,
but are not listed on this errata sheet.
