<b>Page 140</b> Go to Adobe's Web site and download the free Camera Raw plug-in, and run the installer.	Go to Adobe's Web site to purchase Camera Raw plug-in, and run the installer.  "On page 140 of the book, in the tutorial on Adobe's Camera Raw plug-in, I mentioned that the plug-in was available for free download from Adobe's site. Totally my mistake. As it turns out, that plug-in isn't a free-download after all, as Adobe sells the downloadable version from their Web site for US\$99. I sincerely apologize for any inconvenience this may have caused." Scott Kelby
<b>Page 212</b> The upper photo shows the results of the softening effect. The photo below it shows the original (from Step One) without the softening.	The lower photo shows the results of the softening effect. The photo above it shows the original (from Step One) without the softening.

This errata sheet is intended to provide updated technical information.  
Spelling and grammar misprints are updated during the reprint process,  
but are not listed on this errata sheet.
