Exchange Server email

accounts

creating, 632-638

storage options, 638-640

mail accounts. *See* mail accounts

actions (rules), defined, 652

Actions menu commands, New Mail Using, 429-432

Actions page, custom forms, 777-779

activating Office 2007, 903

ActiveX Data Objects (ADO), 825

activities, 65

- contacts, tracking, 222
- tracking, 142. *See also* Journal

Add a Field dialog box, 873

Add Holidays to Calendar dialog box, 487

Add Product or Service dialog box, 853-854

Add to Navigation Pane dialog box, 48

add-ins. *See also* Business Contact Manager; COM add-ins; third-party tools

- installing, 903-905
- Registry editing, 455

Add-Ins page (Trust Center), 602

adding

addresses

to Blocked Senders list, 675, 678-679

to Safe Recipients list, 677-678

to Safe Senders list, 675-677

buttons to Outlook Today, 171-174

commands to command bars, 127-128

digital certificates, to contacts, 192

files in journal entries, 360

graphics to Outlook Today, 169-170

holidays, 487

notes for appointments, 263

OLE objects in journal entries, 361

Outlook icon to

desktop, 901

Outlook items in journal entries, 361

Outlook View Control, to Outlook Today, 170-171

pictures to contacts, 188-189

public folders to Favorites, 704-706

Registry subkeys, 934

RSS feeds to Outlook, 882-886

signatures, 416

Address Book dialog box, 248

address books, 248

- configuring, 65
- Contacts folder as, 249-250
- LDAP (Lightweight Directory Access Protocol), 252-254
- multiple Contacts folders as, 250-251
- Offline Address Book
 - configuring, 736-739
 - troubleshooting, 744
- Outlook Address Book, warning dialog, 249
- troubleshooting, 254-255
- usage example, 255-256
- warning dialog, 249

Address card view, contacts, 230**address information, entering for contacts, 185-186****address lists, importing, 544-548****addresses, adding**

- to Blocked Senders list, 675, 678-679
- to Safe Recipients list, 677-678
- to Safe Senders list, 675-677

addressing email messages

- Access, 413
- contacts, 410-412
- Excel, 413
- Exchange Server, 641-642
- GAL (Global Address List), 413
- LDAP (Lightweight Directory Access Protocol), 412

Addressing dialog box, 251**administrative installation points, creating, 908****Administrative Options pack (Microsoft Exchange Server), 911****ADO (ActiveX Data Objects), 825****Advanced dialog box, 708****Advanced E-mail Options dialog box, 483****Advanced Find dialog box, 214-215, 534****Advanced Find function**

- Calendar items, searching for, 520-521
- contact items, searching for, 521-522
